2010 Property Manager Application

Billing policy for rental units in our water district requires billing responsibility to be in the property owner's name. However, you may designate someone to be the property manager and have the bill sent directly to them. To do so, please fill out the form below.

NOTICE TO LEGAL OWNER: *The Revised Code of Washington (RCW) Section 57.08.081 provides that water charges are charges against the property served. Consequently, you as the owner become liable for unpaid charges if the property manager does not pay the charges. The District will bill the property manager in an attempt to collect the charges. If after sixty (60) days these charges have not been paid, the District will file a lien on the property. Failure to resolve this lien may result in termination of water service.*
